Bidders shall understand that any eventual contract resulting from this Invitation for Bid shall be governed by the applicable provisions of the Mississippi Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations, a copy of which is available at 501 North West St, Suite 701 E., Jackson, Mississippi 39201 for inspection or downloadable at <http://www.dfa.ms.gov>. Any bidder responding to a solicitation for personal or professional services and any contractor doing business with a state agency is deemed to be on notice of all requirements therein.
2. THE MISSISSIPPI STATE HOSPITAL shall order all services covered by this IFB from the awarded vendors, however THE MISSISSIPPI STATE HOSPITAL reserves the right to take bids separately if a particular quantity requirement arises which exceeds THE MISSISSIPPI STATE HOSPITAL's normal requirements, or an amount specified herein this IFB. It shall be understood that THE MISSISSIPPI STATE HOSPITAL is exempted from ordering under the eventual contract when (1) services provided under this contract will not meet a non-recurring, special need of THE MISSISSIPPI STATE HOSPITAL and (2) services are performed incidental to the State of Mississippi's own programs that can satisfy the need.

8. Before submitting a bid, each bidder shall make all investigations and examinations necessary to ascertain all site conditions and requirements affecting the full performance of the contract and to verify any representations made by THE MISSISSIPPI STATE HOSPITAL upon which the bidder will rely. If the bidder receives an award as a result of its bid submission, failure to have made such investigations and examinations will in no way relieve the bidder from its obligation to comply in every detail with all provisions and requirements of the contract documents, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever by the contract for additional compensation.
9. If any questions or responses require revision to the solicitation as originally published, such revisions will be by formal amendment only. If the solicitation includes a contact person, bidders are cautioned that any oral or written representation made by this or any person that appear to change materially any portion of the solicitation shall not be relied upon unless subsequently ratified by a written amendment to this solicitation issued by the THE MISSISSIPPI STATE HOSPITAL Purchasing Office. 10. It is the intent of the specifications to obtain a product and/or service that will adequately meet the needs of the user while promoting the greatest extent of competition that is practicable. It is the responsibility of the prospective bidder to notify Mississippi State Hospital if the specifications, terms, or conditions are formulated in a manner that would unnecessarily restrict competition. Any bidder can submit a request for reconsideration of the solicitation as specified in OPSCR Rules and Regulations paragraph 5.2.4.
11. The minimum specifications stated herein are used to set a standard and in no case are used with the intention to discriminate against any prospective bidder. **MISSISSIPPI DEPARTMENT OF FINANCE AND ADMINISTRATION  
ADMINISTRATIVE RULE  
MANDATORY ELECTRONIC PAYMENT OF VENDORS**

**I General Purpose.**

- A. The Mississippi Department of Finance and Administration (DFA) serves as the primary executive branch agency for fiscal management. Under §7-7-41, the State Fiscal Officer has the authority to prescribe rules and regulations concerning the issuance of warrants and other forms of payments for all departments, institutions, and agencies of the state. This rule, unless otherwise noted, is to set as the standard that vendors of the State of Mississippi shall be paid electronically and shall be provided the supporting remittance detail by electronic means.
- B. This rule is a means for reducing the costs to produce paper warrants and remittance advices. The State has documented significant savings in the move to electronic payment and remittance. The State avoids the costs associated with printing, sorting, distributing, copying, and mailing warrants. Additionally, the State has determined that there are reduced opportunities for fraud and lost payments under this means of payment and remittance.
- C. Vendors benefit by receiving notification of pending deposits of funds and have options for interfacing the remittance data from the State into their accounts receivable systems.

**II. Definitions.**

- A. ACH: Automated Clearing House. Affiliated with the U. S. Treasury and the Federal Reserve System and used as the conduit for electronic payments and collections.
- B. EFT: Electronic Funds Transfer. Electronic Funds Transfer (EFT) provides for electronic payments and collections. EFT is safe, secure, efficient, and less expensive than paper check payments and collections. Issuance costs for EFT payments are approximately 80% less than the cost to issue the same payment on a paper warrant. EFT transactions use the ACH network associated with the Federal Reserve System.
  - 1. The State of Mississippi uses "standard EFT" for transferring funds to employee bank accounts for direct deposit of payroll payments and for some transfers to checking accounts of State agencies.
  - 2. The State uses expanded EFT in the transfer of funds and remittance information using PayModem<sup>^</sup>. The State has established PayModeTm as the default payment method for those payments and transfers requiring supporting remittance information.

- C. E-payment vehicle: Tool that captures the payment and remittance information and pushes it electronically to the designated vendor from the source system (MAGIC). The ACH is used to move the funds while a proprietary system is used to provide access to supporting remittance data and notification of the availability of funds to the State's vendors.
- D. Existing Agreements: Individual agreements in place for the acceptance of electronic payments prior to the implementation of this policy.
- E. PayModeTm: A Bank of America product, PayModem is the State's present e-payment vehicle.
- F. MAGIC: Mississippi Accountability System for Government Information and Collaboration, the successor system for SAAS and SPAHRS.
- G. Vendor payments: Payments initiated and approved by State Agencies for various goods and services or as used to transfer funds to other governing authorities such as school districts, cities, and counties.

### III. Requirements for Transitioning to E-payment Vehicle

- A. All existing vendors presently set up for payment through standard EFT, unless otherwise approved as an exemption, must be enrolled in PayModeTM
- B. All vendors established as new vendors in the State Magic System must be established for e-payment and remittance via PayModeTM.
- C. All remaining MAGIC vendors, unless specifically exempted, must convert to PayModem on the schedule determined by DFA.
- D. To register for PayModeTM, vendors should go to the Bank of America's™ enrollment website at <http://www.bankofamerica.com/paymode/ms>.
  1. Vendor must have a valid email address in order to enroll with PayModeTm. This email address can be obtained through one of the free email services such as Yahoo or Hotmail.
  2. Vendor must have access to a computer. As computers are generally accessible in all businesses as well as in Public Libraries or other public forums, no exemption will be granted for having only limited or no access to a computer.
  3. Vendor may request assistance in enrolling with the State's e-payment service provider by contacting [mash\(a,dfa.state.ms.us](mailto:mash(a,dfa.state.ms.us) or by calling MASH at (601)359-1343.

#### M. Requirements for Transitioning to E-invoicing

- A. All vendors who contract with a state agency must agree to invoice the State electronically through PayMode.
- B. To register for PayMode E-invoicing, vendors must first register with PayMode for E-payment.
- C. Vendors must then complete additional information on the PayMode website to enroll in E-invoicing.
- D. Vendors may request assistance in enrolling in PayMode E-invoicing by contacting PayMode Customer Support at 1-866-252-7366.

##### A. The following are exempt from this rule:

- 1. State employees as defined in §25-9-107;
- 2. Contract workers — note that Independent Contractors are exempt from this rule;
- 3. Vendors specifically approved for "one off" payments using the specific vendor number designated for that purpose by the Office of Fiscal Management;
- 4. Right-of-Way acquisition payments made by the Mississippi Department of Transportation.
- 5. Debt service payments made by the Office of the State Treasurer;

- 8. Transfers to the Public Employees Retirement System of Mississippi (Standard EFT);

1. Reason(s) exemption requested. This must be a narrative explanation of the reason for the request;
2. Documentation of supporting cost and legal issues associated with the request for the exemption.

D. DFA will issue a written determination within 10 business days of the receipt of the exemption request. The written determination of DFA will be considered the final determination.
