## A New Era: MSH Dedicates Renovated Maximum Security Forensic Services Unit

By: Kevin Walker

On Thursday, April 17, 2025, Mississippi State Hospital (MSH) marked a transformative milestone in the field of forensic mental health with the ribbon cutting and dedication of its newly renovated Maximum Security Forensic Services Unit. The celebration brought together more than 300 guests, including elected officials, agency leaders, healthcare professionals, members of the judiciary, and law enforcement representatives, underscoring the importance of this advancement not just for MSH, but for the entire state.

The new 81-bed, state-of-the-art facility represents a significant leap forward in

Mississippi's ability to provide secure, high-quality mental health services for individuals involved in the criminal justice system. Designed to serve all 82 counties, the upgraded unit strengthens the hospital's mission of delivering care that is both compassionate and consistent with public safety needs.

In his address, Director Bo Chastain highlighted the significance of the project not only as a physical renovation but as a symbol of the hospital's deep commitment to the people of Mississippi: *"This new unit is more than a building – it's a commitment to the state of Mississippi."*

*The dedication ceremony featured remarks from several distinguished leaders, including:*

- **James G. "Bo" Chastain**, Director, Mississippi State Hospital
- **Melvin Collins**, Chaplain, Mississippi State Hospital
- **Courtney Phillips**, Chairman, Mississippi Board of Mental Health
- **Lieutenant Governor Delbert Hosemann**
- **Wendy Bailey**, Executive Director, Mississippi Department of Mental Health
- **Dr. Tom Recore**, Medical Director, Mississippi Department of Mental Health

Wendy Bailey, Executive Director of the Mississippi Department of Mental Health, echoed that sentiment: *"This facility represents more than just walls, medical equipment, and incredible staff – it symbolizes a bridge between mental health care and the legal system, ensuring Mississippians receive the treatment they need while also maintaining public safety."*

Lieutenant Governor Delbert Hosemann added: *"I look forward to seeing the continued impact of the great work being done at Mississippi State Hospital through this new facility."*

#### THE RENOVATED UNIT INCLUDES A RANGE OF ADVANCED TECHNOLOGICAL FEATURES, INCLUDING:

- Integrated video monitoring systems
- Centralized control systems for enhanced security
- Artificial intelligence integration for predictive safety alerts
- Upgraded flood mitigation and environmental safety protocols

These improvements are designed to create a secure and therapeutic environment that prioritizes the safety of patients and staff while supporting the complex needs of forensic mental health treatment.

The event drew participation from across the state, with attendees including members

of the Mississippi Board of Mental Health, leaders from the Department of Mental Health, MSH clinical leadership, state legislators, county judges, sheriffs, contractors, and community partners – a powerful reflection of the collaborative spirit that brought the project to life.

Following the ceremony, guests were invited to tour the newly completed facility and enjoy a reception honoring the years of planning, dedication, and teamwork

required to bring the project to fruition.

The opening of the renovated Maximum Security Forensic Services Unit is more than a capital improvement, it is a landmark achievement in Mississippi's ongoing effort to provide integrated, effective, and secure mental health care services. As the state looks to the future, this facility will serve as a cornerstone in fulfilling its dual mission of public safety and restorative care.

## Mississippi State Hospital Celebrated National Hospital Week & National Nursing Home Week: May 11-17

By: Kevin Walker

National Hospital Week is a time to celebrate the heart and soul of hospitals—the dedicated professionals who support the health and well-being of patients here at MSH every day. Throughout this special week, we reflected on the critical role of MSH in our state. Commitment to high-quality patient care transforms lives and makes healthcare miracles an everyday reality.

National Nursing Home Week celebrates skilled nursing centers and their residents and staff. Established as an annual, week-long observance by the American Health Care Association (AHCA) in 1967, National Nursing Home Week honors the essential role of skilled nursing care centers in caring for America's elders and individuals with disabilities.

Mississippi State Hospital celebrated

National Nursing Home Week with two special events designed to uplift and engage residents and staff. First, an Old Time Revival was held in the chapel, bringing a spirit of hope and encouragement. Tyrone Crawford set the tone with heartfelt music on the piano and keyboard, while Melvin Collins, MSH Lead Chaplain, delivered an inspiring message. "It's not about what you go through, but who goes through it with you," Collins shared. "Jesus is with you." Patients and employees alike joined in, leading songs, reading Scripture, and reciting poems, creating a powerful and participatory worship experience. Denesha Evans added a special touch to the event by creating a fan and bookmark to give to each person in attendance. The celebration continued the next day with a Dance Party held in Friends Park. These events served as a reminder of the importance of joy, connection, and community in the lives of our nursing home residents.

# May Was Designated As Mental Health Month

NAMI, the National Alliance on Mental Illness, designated May as Mental Health Awareness Month. Since 1949, Mental Health Awareness Month has been a driving force in addressing the challenges faced by millions of Americans living with mental health conditions. The 2025 theme was: "In Every Story, There's Strength." Mental health journeys are unique, but the strength found within them is universal. "In Every Story, There's Strength," highlights the resilience and diverse experiences that shape mental health journeys within our community. NAMI's campaign celebrates the power of storytelling to fuel connection, understanding, and hope for those navigating their own mental health path. Each story shared is a testament to the possibility of recovery and the strength that lies within us all.

# Nurses Appreciation Lunch

By: Kevin Walker

In celebration of Nurses Appreciation Week, the Mississippi State Hospital Nursing Department hosted a festive appreciation lunch in Building 71 to honor the incredible work of nurses across the MSH campus. Nurses were invited to take a well-deserved break, enjoy a delicious lunch—either to-go or dine-in—and spend time together in a cheerful, relaxed atmosphere. The event featured colorful decorations, upbeat music, games, door prizes, and plenty of smiles. “Our nurses are the heart of MSH,” said Angela Howell, Nurse Executive. “We want to take a moment to thank nurses for the incredible dedication, compassion, and resilience you bring to your work every day. Your commitment and your unwavering support for those in need highly impact the care we provide and makes a lasting difference. We are honored to work alongside professionals like you.” A big thank-you goes to those who organized the event for creating such a meaningful and enjoyable celebration.

# Female Receiving Staff Hosts Mental Health Awareness Fun Day For Patients

By: Kevin Walker

Building 201, Ward 2 (Female Receiving) recently hosted a lively and heartwarming Mental Health Awareness Fun Day for patients, celebrating both the spirit of recovery and the teamwork of its dedicated staff. The event featured a delicious lunch, including hot dogs, chicken, grilled corn on the cob, baked beans, potato salad, green salad, cupcakes, cookies, and “brookies” – a special treat baked by Heather Watkins, Social Services Team Lead. It was a true team effort, with Nurses, Social Workers, staff from Behavioral Health, Recreation, Medical Records, MHTs, and others, working together to make the day a success. Fun and games were also a big part of the celebration, including bingo,

hula hoop, Tic Tac Toe, Jenga, Chess, Connect 4 and other activities with prizes for patient participation. The event underscored the unity of the staff, with t-shirts designed by Elena Phillips, Social Services, helping to visually tie the team together. Organized by Samquinnetta Hartzog, Heather Watkins, and the entire Ward 2 staff, the event highlighted the strong and supportive atmosphere that has been carefully cultivated on the ward. Their collective effort reflects a shared commitment to patient care and the importance of celebrating progress together.

# MSH April Employees of Month

## DIRECT CARE

**Joyce Lonie**  
Building 201/2, B-Shift

Joyce Lonie has been named Mississippi State Hospital's April Employee of the Month for Direct Care.

Growing up in Florence, and attending McLaurin High School followed by Hinds Community College, Lonie is now a resident of Pearl. Her favorite quote comes from Philippians 4:13, "I can do all things through Christ who strengthens me." Lonie serves as Support Care Professional Team Lead in IPS.

"A constant smile, a kind gesture, an encouraging word and faithful attendance. That sums up Joyce!" says Mike Shaw, who nominated Lonie. "Mrs. Lonie exemplifies a remarkable drive and passion for comforting the patients on her unit," says Clarence Williams who also nominated Lonie.

## CLINICAL SERVICE

**Dominique Sutton**  
Building 201, A-Shift

Dominique Sutton has been named Mississippi State Hospital's April Employee of the Month for Clinical Service.

Sutton resides in Byram and received her Associates degree from Pensacola College, her Bachelors from Delta State University, and her Masters from Jackson State University. Sutton serves as Therapeutic Therapist III in Therapeutic Recreation Services.

"[Sutton] is that person that everyone needs on their team. She epitomizes a spirit of excellence in everything that she does," says Jestyne McGee who nominated Sutton.

## SUPPORT SERVICES

**Sandra Lofton**  
Building 30, A-Shift

Sandra Lofton has been named Mississippi State Hospital's April Employee of the Month for Support Services.

Lofton serves Cosmetologist in Rehab Beauty/Barber. Her nomination was earned due to her "unwavering reliability and compassion. She consistently exceeds expectations, providing extraordinary support to patients and colleagues alike, all while maintaining a cheerful attitude and willingness to lend a hand," says Lana Aikens who nominated Lofton.

# Support Care, MHT, CNA Appreciation Lunch

*By: Kevin Walker*

The Mississippi State Hospital Nursing Department hosted an appreciation lunch in Building 71 on Wednesday, June 11 to honor the incredible work of Support Care Professionals, Mental Health Technicians, and Certified Nursing Assistants across the MSH campus. SCP, MHT, and CNA Personnel were invited to take a well-deserved break, enjoy a delicious lunch, and spend time together in a cheerful, relaxed atmosphere. The event featured colorful decorations, upbeat music, games, door prizes, and plenty of smiles! A big thank-you goes to those who organized the event for creating such an enjoyable celebration.

# PLAYING WITH PURPOSE:

## The 23rd Annual Farmer Jim Neal Golf Tournament

On Friday, April 11, 2025, the rolling fairways of Whisper Lake Country Club in Madison served as the backdrop for a spirited day of camaraderie, competition, and community support during the 23rd Annual Farmer Jim Neal Golf Tournament. Hosted in benefit of Friends of Mississippi State Hospital (MSH), this year's tournament once again demonstrated the power of partnership and purpose.

The event featured two full flights of golfers, with 16 teams teeing off in the morning and 18 in the afternoon. From the first swing to the final putt, the course was alive with laughter, friendly banter, and a shared commitment to making a difference in the lives of the individuals served by Mississippi State Hospital.

As the largest annual fundraiser for Friends of MSH, the tournament plays a critical role in supporting patient needs and enhancing therapeutic services throughout the hospital. Funds raised are used for initiatives such as personal care items, special outings, recreation equipment, and other quality-of-life resources.

Throughout the day, Cura Hospitality generously provided meals for players and guests, serving breakfast, lunch, and dinner to ensure that everyone was well-fed and energized. The day concluded with a lively awards ceremony, hosted by MSH Director James G. "Bo" Chastain, who recognized the winning teams and congratulated participants who took home various hole contests and door prizes.

This year's success would not have been possible without the support of our generous sponsors. Their continued investment in the mission of MSH reflects a shared vision of

compassion, dignity, and care for some of Mississippi's most vulnerable citizens.

Shelia Shows, Director of Volunteer Services, expressed her deep appreciation:

*"We are grateful to everyone who participated in and contributed to the golf tournament this year. It takes the help of so many who are willing to go above and beyond to make it happen. It was truly a great day!"*

As we look ahead to the future, the Farmer Jim Neal Golf Tournament remains not only a cherished tradition but a vital avenue for advancing the mission of Mississippi State Hospital. Events like these highlight the strength of our community partnerships and the unwavering support of individuals and organizations who believe in the value of mental health care and the dignity of every person served.

# April 20-26 Was Medical Laboratories Professionals Week

By: Kevin Walker

In April we celebrated the hard-working Medical Lab Professionals here at Mississippi State Hospital. Lee Varner, Nursing Home Director/Hospital Administrator, reminds: "The WMSH Laboratory is very important to WMSH/MSH/JNH. Results of labs are utilized to determine best course of treatment for patients and residents. The WMSH Laboratory processes over 2,000 labs on average each month in house." Thank you, Lab Professionals, for the vital work that you do each day for MSH!

## MSH Day 2025 Brings Sunshine and Smiles to Campus

By: Kevin Walker

Under a canopy of clear skies and the warmth of the late spring sun, Mississippi State Hospital held its annual MSH Day celebration on Wednesday, May 21, 2025. Designed as a day of joy, connection, and community, this long-standing tradition brought together patients, residents, and staff across disciplines for a time of fellowship and fun.

From 9:00 a.m. to 1:00 p.m., MSH Park came alive with the sounds of music, laughter, and heartfelt celebration. Patients participated in a variety of games and interactive activities, ranging from carnival-style challenges to dancing and art stations. Staff members cheered them on, joined in the festivities, and helped ensure a positive and inclusive atmosphere for all.

The event was not only a chance to celebrate but also to recognize the talents of those within our care. A particularly memorable moment came when an MSH patient was

honored as the winner of the 2025 MSH Day T-shirt Design Contest. This patient's vibrant and meaningful artwork, which adorned each commemorative shirt worn

that day, was unveiled during a special ceremony held under the park gazebo. MSH Director James G. “Bo” Chastain presented the patient with a framed copy of the design, a commemorative t-shirt, and a cash prize as fellow patients and staff applauded this achievement.

Lunch was provided by Cura Hospitality, whose team served up freshly grilled hamburgers and sausage dogs, with the inviting aroma filling the park and adding to the festive cookout atmosphere.

Carla Dearman, Director of Support Services and Chair of the MSH Day Committee, reflected on the success of the day:

***“From the smiles to the laughter, the dancing to the games, the patients and residents truly seemed to enjoy every moment. It was a day filled with joy and excitement, and we couldn’t have asked for a better outcome.”***

The MSH Day 2025 committee included: Carla Dearman (Chairman), Julie Cox, Stacey Davis, Jenny Pittman, Amy Carruth, Sonya Myers, Angela Howell, and Sheila Shows.

Their thoughtful planning and commitment to excellence ensured that every detail contributed to a day marked by dignity, celebration, and joy.

As one of the most anticipated events on the hospital calendar, MSH Day serves as a powerful reminder of the mission at the heart of Mississippi State Hospital: to provide compassionate, person-centered care that promotes recovery and community. Events like this reaffirm the value of human connection and the importance of celebrating every individual’s contributions, creativity, and potential.

# A HISTORIC MILESTONE:

## First Class Graduates from MSH Psychiatry Residency Program

By: Kevin Walker

Mississippi State Hospital (MSH) marked a significant chapter in its educational mission with the first graduation ceremony of the MSH Psychiatry Residency Program, held Friday, June 20, 2025, at Table 100 in Flowood. This celebratory event honored the inaugural cohort of residents who have completed either the full four-year general psychiatry track or the three-year child and adolescent psychiatry track – each a product of years of vision, leadership, and collaboration.

*The graduates of the four-year general psychiatry program received their diplomas and were recognized for their dedication to the field of mental health:*

- Dr. Kirollos Adly, who will continue his training in the Forensic Psychiatry Fellowship Program at the University of Texas Medical Branch in Galveston, Texas
- Dr. Nick LaCivita, who will be relocating to Nashville, Tennessee
- Dr. Jon Sadler, who will begin the next phase of his career in New Jersey

*Graduates of the three-year child and adolescent psychiatry track, who received certificates of completion, include:*

- Dr. Zachary Robinson, who will join the University of Tennessee Health Sciences Center's Child and Adolescent Fellowship Program in Memphis, Tennessee
- Dr. Sarah Brannan, who has been accepted into the Icahn School of Medicine at Mount Sinai/NYC Health and Hospitals-Elmhurst's Child and Adolescent Psychiatry training program in New York City

*The ceremony welcomed incoming PGY-1 residents (Class of 2029) and featured remarks from:*

- Dr. John Norton, Program Director, MSH Psychiatry Residency Program
- Dr. Sal Dakhalla, Associate Program Director, MSH Psychiatry Residency Program
- Dr. Duncan Stone, Chief of the Medical Staff, MSH
- James G. "Bo" Chastain, Hospital Director, MSH

*In addition to honoring the graduates, the event included the presentation of several prestigious faculty and resident awards:*

### FACULTY AWARDS

- Didactic Teaching Faculty of the Year, Dr. Jon C. Jackson
- Clinical Teaching Faculty of the Year, Dr. Jon C. Jackson
- All Star Attending Award, Dr. Kevin Young
- Jon C. Jackson, MD, Excellence in Teaching Award, Dr. Kyle Cooper

### RESIDENT AWARDS

- Junior Resident of the Year, Dr. Tyler Menzies
- Outpatient Resident of the Year, Dr. Zachary Robinson

- 2024 PRITE Award (highest global score on the Psychiatry Resident In-Training Exam), Dr. Mike DePasquale
- Robert Maddux, MD, Community Psychiatry and Advocacy Award, Dr. Tyler Menzies
- Chief Resident Award Dr. Zachary Robinson

A highlight of the event was the presentation of the James G. Chastain VISION Award, given to an individual who has made a transformative impact on the residency program through leadership, advocacy, or support. This year's award was presented to U.S. Senator Cindy Hyde-Smith, recognizing her instrumental role in advancing mental health care and workforce development in Mississippi.

The MSH Psychiatry Residency Program was established to address the growing need for qualified mental health professionals across Mississippi. Its rigorous, hands-on training prepares physicians to meet the diverse challenges of modern psychiatric practice in both institutional and community-based settings.

Congratulations to the Class of 2025, the first graduates of this groundbreaking program. Their accomplishments mark the beginning of a legacy that will shape mental health care in Mississippi for generations to come.

# MSH May Employees of Month

## DIRECT CARE

**Michael Adams**  
**Building 45, B-Shift**

Michael Adams has been named Mississippi State Hospital's May Employee of the Month for Direct Care.

Adams resides in Jackson, and attended Provine High School and Hinds Community College. He serves in IPS as Support Care Team Lead. His favorite quote comes from Luke 6:31, "Do unto others as you would have them do unto you."

"Mr. Mike is what I would describe as a super tuff cream puff," it says in his nomination remarks. "He's the equal and sum of loyalty... willing to go the extra mile."

## CLINICAL SERVICE

**Rena Rideout**  
**Building 75, A-Shift**

Rena Rideout has been named Mississippi State Hospital's May Employee of the Month for Clinical Service.

Growing up in Columbia, Rideout now calls Jackson home. She attended East Marion High School, received her Bachelor of Social Work from Jackson State University, and her Master of Social Work from the University of Southern Mississippi. Rideout serves as Social Work Supervisor in Social Services. One of Rideout's favorite quotes is "practice what you preach." She says, "My parents taught me to treat people with the same kindness and respect that I would want for myself."

"She has the kindest spirit towards the residents that she serves. She has gone beyond her duties to make sure that their needs are addressed... she has done things that no other person would be willing to take on," said Deena Mullins, who nominated Rideout.

## SUPPORT SERVICES

**Cara Renee Cumberland**  
**Building 67, A-Shift**

Cara Renee Cumberland has been named Mississippi State Hospital's May Employee of the Month for Support Services.

Cumberland grew up in Pearl and now lives in Raleigh. She attended Brandon Academy. She serves as Accreditation and Licensure Coordinator in SOD. Her favorite quote is "What people say about me is none of my business."

"Renee is a very hard worker who gives her all to any project given to her. She cares greatly for the people we serve and is a champion for the direct care staff," says Amy Womble, who nominated Cumberland.

# MSH June Employees of Month

## DIRECT CARE

**Shanice Boone**  
**Building 23, A-Shift**

Shanice Boone has been named Mississippi State Hospital's June Employee of the Month for Direct Care.

Boone resides in Jackson, attended Forest Hill High School and Hinds Community College. She serves as Assistant Shift Leader in IPS. Her favorite quote comes from Serena Williams, "You have to believe in yourself when no one else does."

"Shanice consistently goes above and beyond in providing compassionate and dedicated care to those she serves. Her kindness, professionalism, and commitment make a difference every single day," says Randy Fortenberry, who nominated Boone.

## CLINICAL SERVICE

**Shawn Cagle**  
**Building 79, A-Shift**

Shawn Cagle has been named Mississippi State Hospital's June Employee of the Month for Clinical Service.

Cagle resides in Pearl and is a graduate of Pearl High School. He serves as Vocational Training Instructor in Hobby Craft/Horticulture Therapy. His favorite quote is "As long as a man can dream he can redeem his soul and fly."

"Shawn Cagle has worked for MSH for 36 years and has been a loyal, valuable employee. He has taught Horticulture and Hobby Crafts to many patients and residents. He has kept up the hospital's Green House and managed to bring it back after the huge hail storm nearly destroyed it all. He is also responsible for the courtyard on B-79 and many plant/garden projects across campus," said Cecilia Whitehurst, who nominated Cagle.

## SUPPORT SERVICES

**Cherita Abram**  
**Building 47, A-Shift**

Cherita Abram has been named Mississippi State Hospital's June Employee of the Month for Support Services.

Abram resides in Canton, and attended Murrah High School. She attended Jackson State University and Virginia College. She serves as Training Specialist II in Staff Education. Her favorite quote is Philippians 4:13, "I can do all things through Christ who strengthens me."

"Cherita Abram exemplifies the core values of being an exceptional employee of Mississippi State Hospital," says Ricky Luckett who nominated Abram, "Her greatest strengths are her teamwork that she shows every day and her commitment to making sure that everyone gets the proper training that they need to be successful here at the state hospital."
